SCHOLARSHIPS

New York State Family, Career and Community Leaders of America

\$1,000 in scholarships is offered annually by the New York State Family, Career and Community Leaders of America. Funds are provided through a grant from the New York State Family, Career and Community Leaders of America Foundation, Inc. Selection of the recipients will be made by the State Scholarship Committee. The scholarships are awarded on the basis of scholastic achievement, pursuit of further education, interest in the field of family and consumer science, leadership ability, character and financial need.

PURPOSES

1. To further interest in the family and consumer science profession.
2. To provide some financial assistance to members best meeting the qualifications.

CANDIDATE QUALIFICATIONS

1. Have assumed some leadership responsibility in a chapter which has been affiliated with the New York State Family, Career and Community Leaders of America during the past two years.
2. Be a senior who plans to be graduated from an accredited New York State high school in the year the award is granted.
3. Plan to study in the field of family and consumer science related occupations in an accredited institution in New York State.
4. Be qualified to enter the two or four year program of the New York State institution or college the candidate plans to attend.
5. Have a scholastic standing as follows:
 - a. Two-year institution:
 - Will have successfully completed at least 1/2 unit in the senior high school program in family and consumer science.
 - Has maintained an average of 80% or above in courses completed in high school (based on 3 1/2 years).
 - b. Four-year college:
 - Will have successfully completed at least 1/2 unit in the senior high school family and consumer science program
 - Has maintained an average of 85% or above in courses completed in high school (based on 3 1/2 years).
6. Possess qualities which indicate possible success in the field of family and consumer science, such as interest in home and family life, good character, and leadership ability.

PAYMENT

The scholarship amounts will be paid directly to the New York State Institution or college after the recipient is officially enrolled.
